Every BUYER is provided with this legal contract and indicates that they agree to its terms. The parameters of the Royal Crown Kennels Health Guarantee are outlined below:

- The health of this animal is guaranteed within 7 days, through examination by a vet, at the expense of the Buyer. If the Dog is found to be in unsatisfactory health and written documentation is presented from the Buyers veterinarian, within 24hrs of examination, the Seller shall, refund the Buyer for the cost of the veterinary expenses to treat the Dog up to, but not to exceed 100% of the purchase price. Should the Buyer choose to relinquish the Dog back to the Seller, the Seller will refund 100% of the purchase price. ****This does not include parasites, as they are common in dogs and puppies and are easily treated. This guarantee does not cover communicable diseases that were contracted any time after the puppy left the Sellers possession. A record of all worming treatments & vaccinations from RCK will be included with every puppy. Should the Buyer choose not to have this puppy inspected within 7 days, the BUYER agrees with RCK's assessment that the puppy was healthy at the time of transfer.***
- This Dog is guaranteed by Royal Crown Kennels to be free of any ****life altering*** hereditary or congenital defects for 1 year.

If the Dog is found to have a Life-Altering hereditary condition within (1) year of its date of birth, the Seller shall replace the Dog, provided the Dog and papers are returned, in exchange for the next available similar dog OR compensate the buyer for veterinary care

up to but not to exceed the purchase price of the dog. ****life-altering is defined in this contract as "A hereditary or congenital defect that will negatively affect the dog's physical health, resulting in reduced lifespan and quality of life". If something of this nature comes up, please bring this guarantee to your veterinarian for them to review. If they think the issue falls within the parameters of this agreement don't hesitate to contact Royal Crown Kennels with your concerns. A written statement by a licensed veterinarian, with a detailed assessment is required when submitting your health guarantee.***

- The Buyer agrees to complete all Puppy vaccinations, as well as a booster at one year of age. Consult with your veterinarian on a shot schedule for the remainder of the dog's life. (AVMA standards are now suggesting that annual vaccinations may not be necessary after one year of age) The Buyer must keep the dog's rabies vaccine up to date per their local city, county, and state laws. Documentation of these minimal requirements must be kept.
- This Dog is being sold as a companion and Buyer agrees that this dog will not be bred at any time.
- This Dog is being sold with a spay/neuter agreement. The Buyer agrees to Spay or Neuter this dog within 12 months from its date of birth. Please consult your veterinarian on a healthy schedule for spaying/neutering. We leave it up to you and your vet to decide what is the best time frame for your puppy to be spayed/neutered within the first year. De-sexing a young puppy can take away essential hormones for healthy growing bones/joints. There are also indications that keeping a family pet intact too long can have ill effects as well. Please consult your vet. If the pet is not spayed/neutered within 1 year, the Guarantee is void.
- Royal Crown Kennels does NOT guarantee the size or the temperament of the Dog. We cannot predict how the dog will mature or what experiences it will have, after it leaves our care.
- Buyer agrees that this Dog will at no time be surrendered to a pound or rescue. If the Buyer is not able to keep this Dog for any reason, the Seller shall be notified and given first right of refusal. The Seller shall have the first option to take the dog back. Breach of First Right of Refusal is subject to damages to the Seller. Contact Royal Crown Kennels (Melissa Marr) before considering re-homing your dog. We will do everything we can to help you, or we will take the dog back, no questions asked. *(This guarantee is non-transferable)*
- Payment in full is due upon choosing your puppy. We do not accept deposits or partial payments. Once payment is made your puppies profile will be moved from the 'Available Puppies' page on the website to the 'Spoken For' page. Your name will be added, and new pictures or videos will be uploaded weekly for you to view as your puppy grows.
- If for some reason you are not able to take your puppy after you have chosen it and made payment, the Seller will re-list the puppy on the 'Available Puppies' page, at the typical price of a similar puppy. Pricing decisions are made at the Sellers discretion

based on Color/Gender/Size/Age, and NOT based on the price of the puppy when you purchased it. When someone inquiries about your puppy, I will add you to the email communications and the new Buyer will send payment directly to you.

- If for any reason the Seller is not able to provide your puppy, the Buyer will have the option to receive a full refund or move their payment to the next available litter.
